

2023 TUBAC LEADER'S RETREAT

SPONSORSHIP PROSPECTUS

Our annual Tubac Leader's Retreat is a unique and special opportunity for school directors and system leaders who share exceptional track records and passion for excellence to gather at the peaceful Tubac Golf Resort & Spa.

This time is dedicated to recharging and getting inspired ahead of the spring semester! This unique space will help leaders expand their network and build lasting relationships with like-minded peers across Arizona while experiencing thoughtful programming surrounding best practices, forward-thinking models underway, and the opportunity to identify policy barriers in their way of growing their impact.

This event is made possible by supporters like yourself. We believe it to be imperative that school dollars and resources stay with the schools. On behalf of our team, our leaders, and the students they serve, thank you for your careful consideration to be one of these generous supporters.

For questions or information on how to complete your donation, please contact Daniel Duran, A for Arizona Director of Operations, at daniel@aforarizona.org or 602-692-5750.
